## Toddy® Cold Brew System Paper Filter Bags

A new addition to our retail product line-up, these Paper Filter Bags have become a fast favorite amongst our long-time users. They increase the yield in every batch and make clean-up a breeze. Packaged in resealable 20-packs with a hang tab. Also available in a foodservice pack upon request.

Toddy® Paper Filter Bags are compostable and come in resealable packaging. They are not compatible with the Toddy® Cold Brew System - Commercial Model.

The Toddy® Cold Brew System - Paper Filter Bags have been certified for food contact in accordance with US FDA and EU regulations. Made in Loveland, Colorado by Toddy, LLC.
